The MSA Pro is a device whose function is to assess stress within the energy pathways of the body. It is not a diagnostic tool for disease identification. The MSA Pro can help restore functional health by recommending remedies that restore balance to affected energy paths. I understand that the exchange of information is for educational purposes and to be used at my discretion. I recognize that my health and well being depend on how well I care for myself, and I accept responsibility for myself and the choices I make. I certify that the above information is correct to the best of my knowledge. Payment in full is expected at time of service. Circle of Health does not prescribe, diagnose or treat specific conditions, and does not intend to replace medical treatments.
